

# RISE AND REBUILD INITIATIVE (RRI)

## AI-POWERED WORKFORCE DEVELOPMENT & DIGITAL SKILLS TRAINING FOR YOUTH

**Funding Requested:** USD 100,000

**Project Duration:** 12 Months

**Project Location:** Kericho County, Kenya

**Target Beneficiaries:** 300 Unemployed and Underserved Youth

### 1. Executive Summary

Rise and Rebuild Initiative (RRI) is committed to reducing youth unemployment and poverty through skills development, innovation and economic empowerment. This proposal seeks USD 100,000 to train 300 youth in Artificial Intelligence, digital literacy, remote work, freelancing, entrepreneurship and career development.

### 2. Organization Background

Our mission is to transform youth potential into economic opportunity by providing practical skills, mentorship and pathways to sustainable employment. Our vision is resilient communities where every young person can thrive.

### 3. Project Goal

To empower unemployed and underserved youth through Artificial Intelligence and digital skills training that enhances employability, entrepreneurship and economic self-reliance.

### 4. Expected Outcomes

- 300 youth trained.
- 100+ youth transition into employment, internships, freelancing or entrepreneurship.
- Increased digital inclusion and local economic resilience.
