EXECUTIVE SUMMARY

The nonprofit Halt Poverty provides underserved children, youth, and adults with educational and creative opportunities. We are seeking a \$5,000 to establish an art program, aimed at fostering artistic expression in individuals' children, adolescents, and adults who cannot afford paid programs. With your support, we can provide access to high-quality art education, empowering young minds through creativity and self-expression.

ORGANIZATION OVERVIEW

Halt Poverty is a nonprofit organization committed to supporting training programs that build resilience, create jobs, and lift families out of poverty. Our mission is to create inclusive learning environments where individuals can explore their potential, build confidence, and develop essential life skills through educational and artistic initiatives.

PROJECT DESCRIPTION

THE AFTER-SCHOOL ARTS PROGRAM

The After-School Arts Program will provide:

- Free art classes for individuals ages 5+
- Workshops led by professional artists and educators
- Supplies and materials for painting, drawing, digital art, and mixed media
- Exhibitions and showcases to celebrate student work and achievements

The program will be offered three days per week, ensuring that participants have consistent opportunities to develop their artistic talents in a structured, supportive environment.

GOALS & OBJECTIVES

Provide accessible, high-quality art education to at least 100 participants in the first year

Foster creativity, critical thinking, and confidence through structured art instruction

Introduce participants to career pathways in design, illustration, and digital arts

Create community engagement opportunities through student exhibitions

BUDGET & FUNDING REQUEST

- \$2,000 – Art supplies, software, and instructional materials
- \$1,500 – Compensation for professional teaching artists and consultants
- \$1,000 – Venue costs and program operations
- \$500 – Community showcase and outreach efforts
- \$5,000 total

EXPECTED OUTCOMES & IMPACT

- Expanded access to art education
- Increased student engagement
- Stronger community ties
- Pathways to future careers

EVALUATION & REPORTING

To ensure program effectiveness, we will:

- Track student participation and skill
- Conduct pre- and post-program surveys
- Host quarterly meetings to update stakeholders and donors
- Publish an annual impact report detailing program milestones

NEXT STEPS

Your support will make a profound difference in the lives of aspiring artists. We invite you to partner with Halt Poverty in bringing this vision to life.
